Annual Financial Statements for the year ended 31 December 2020

Management Committee's Responsibilities and Approval

The management committee are required by the Companies Act 71 of 2008, to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the club as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities. The external auditors are engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The management committee acknowledge that they are ultimately responsible for the system of internal financial control established by the club and place considerable importance on maintaining a strong control environment. To enable the management committee to meet these responsibilities, the committee sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the club and all employees are required to maintain the highest ethical standards in ensuring the club's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the club is on identifying, assessing, managing and monitoring all known forms of risk across the club. While operating risk cannot be fully eliminated, the club endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The management committee are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The management committee have reviewed the club's cash flow forecast for the year to 31 December 2021 and, in the light of this review and the current financial position, They are satisfied that the club has or has access to adequate resources to continue in operational existence for the foreseeable future.

Independent Auditor's Report

To the Management Committee of DURBAN GOLF CLUB

Opinion

We have audited the annual financial statements of Durban Golf Club set out on page 4, which comprise the statement of financial position as at 31 December 2020, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the annual financial statements, including a summary of significant accounting policies.

In our opinion, the annual financial statements present fairly, in all material respects, the financial position of Durban Golf Club as at 31 December 2020, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Local legislation over clubs.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the annual financial statements section of our report. We are independent of the trust in accordance with the Independent Regulatory Board for Auditors Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of annual financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The management committee is responsible for the other information. The other information comprises the information included in the document titled "Durban Golf Club Annual Financial Statements for the year ended 31 December 2019", which includeds the Management Committee Report and Detailed Income Statement which we obtained prior to the date of this report. Other information does not include the annual financial statements and our auditor's report thereon.

Our opinion on the annual financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the management committee for the Annual Financial Statements

The management committee is responsible for the preparation and fair presentation of the annual financial statements in accordance with International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act 71 of 2008, and for such internal control as the trustees determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the management committee is responsible for assessing the club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management committee either intend to liquidate the club or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report

Auditor's responsibilities for the audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a
 basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management committee.
- Conclude on the appropriateness of the management committee use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and
 whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair
 presentation.

We communicate with the management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Logie Govender & Co.

Annual Financial Statements for the year ended 31 December 2020

Management Committee's Report

The management committee submits their report for the year ended 31 December 2020.

1. Review of activities

Main business and operations

The main objectives of the club are to promote the game of golf in accordance with the Rules of Golf and to organise, manage and control golf tournaments and championships matches.

The operating results and state affairs of the club are fully set out in the attached financial statements and do not in our opinion require any further comment.

Net profit of the club was R 61 981 (2019: profit R 107 501).

1. Events after the reporting period

The management committe are not aware of any matter or circumstance arising since the end of the financial year that has a material impact on the annual financial statements.

3. Management Committee

The committee members of the management committee during the year and to the date of this report are as follows:

Name

- S. Rampersad President
- S. Chetty Vice President
- N. Surjuprosad Secretary
- P.L. Popat Treasurer
- T. Govender Captain
- S. Sunkur Vice Captain
- T. Kaunda
- S. Naicker
- Z. Khan
- K. Dorasamy

Annual Financial Statements for the year ended 31 December 2020

Accounting Policies

1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on a going concern basis in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and the Companies Act 71 of 2008. The annual financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

1.1 Property, plant and equipment

Property, plant and equipment are tangible assets which the company holds for its own use or for rental to others and which are expected to be used for more than one period.

Property, plant and equipment is initially measured at cost.

Property, plant and equipment is subsequently stated at cost less accumulated depreciation and any accumulated impairment losses, except for land which is stated at cost less any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the company.

The useful lives of items of property, plant and equipment have been assessed as follows:

Item	Depreciation method	Rate	
Irrigation Pump & System	Diminishing balance	20%	
Furniture and fixtures	Diminishing balance	16.67%	
Caffeteria equipment	Diminishing balance	20%	
Digital camera	Diminishing balance	10%	
Computer software	Diminishing balance	20%	
Computer equipment	Diminishing balance	33%	
Leasehold improvements	Diminishing balance	20%	
Kitchen utensils	Diminishing balance	16,67%	
Two way radio	Diminishing balance	20%	
Club equipment	Diminishing balance	10%	

The depreciation charge for each period is recognised in profit or loss unless it is included in the carrying amount of another asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from the derecognition of an item of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, is included in profit or loss when the item is derecognised.

1.2 Inventories

Inventories are measured at the lower of cost and estimated selling price less costs to complete and sell, on the first-in, first-out (FIFO) basis.

1.3 Revenue

Revenue is recognised to the extent that the club has transferred the significant risks and rewards of ownership of goods to the buyer, or has rendered services under an agreement provided the amount of revenue can be measured reliably and it is probable that economic benefits associated with the transaction will flow to the club. Revenue is measured at the fair value of the consideration received or receivable, excluding sales taxes and discounts.

Interest is recognised, in profit or loss, using the effective interest rate method.
